About Us

Its "Burnt Almond Torte" and 100+ sinful sweets have been a tradition for the last 40 years. In fact, there's been a bakery in continuous operation at the flagship Shadyside store for over 100 years. Prantl's is a bakery in the German tradition, with old-fashioned fruit Danish and nut-filled coffeecakes, but we can't help but get excited about some of our "new favorites" as well, like key lime pie and our buttery croissants. In addition to our mouth watering special order cakes, we are famous for our "Burnt Almond Torte", which was conceived by Henry Prantl after a trip to California. There was an almond glut the year he went and the Almond Board was trying to get bakers to use almonds in new and inspiring ways. Henry picked up a few ideas and brought them back to Pittsburgh where he refined them into our current recipe for "Burnt Almond Torte", a unique and addictive dessert.

Henry and Jane Prantl retired from the business in 2007. The bakery is now owned and operated by John M. Felice, who strives to maintain the tradition of high quality baked goods.

Weddings

Weddings are such a joyous occasion and each one is different! The same is true of our wedding cakes. We have an almost unlimited combination of flavors and styles to choose from.

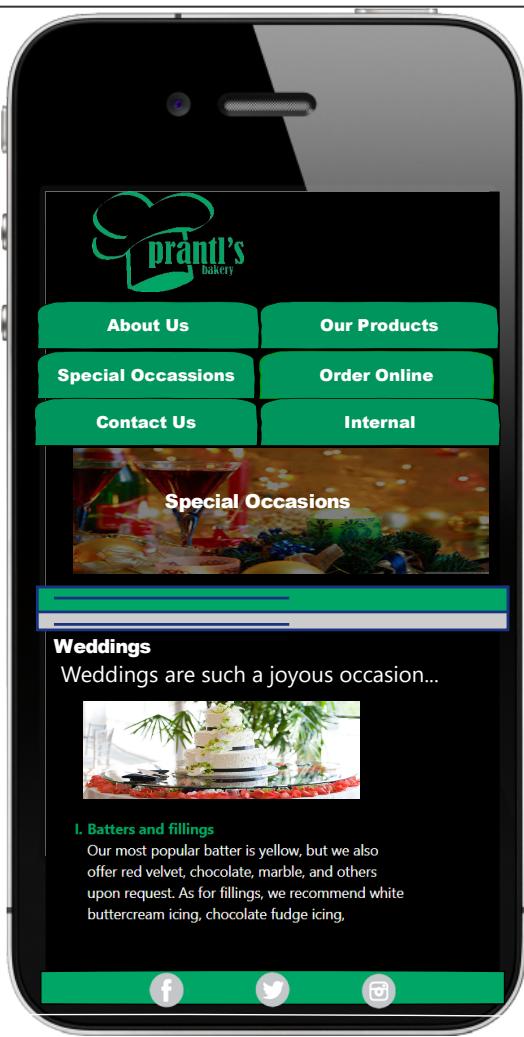

I. Batters and fillings

Our most popular batter is yellow, but we also offer red velvet, chocolate, marble, and others upon request. As for fillings, we recommend white buttercream icing, chocolate fudge icing, strawberry crème filling, vanilla pastry cream, or one of several fruit fillings (lemon, raspberry, apricot, strawberry, etc.). That being said, if you have something special in mind it can't hurt to ask!
